**CALLAS VASE**

\$105

## DESCRIPTION

Delicate and ethereal, this vase in transparent mouth-blown glass is shaped like a drop of water, with a round base and tapering body ending in a small mouth adorned at one side with an elongated wisp on which the stems of the flowers can graciously rest. An example of modern sensibility and traditional craftsmanship, this glass can stand alone or be displayed alongside others of the same designer for a more dramatic effect.

## DETAILS & DIMENSIONS

- Material: Glass
- Dimensions (in): W 3.54 x D 3.15 x H 11.81
- Dimensions (cm): W 9 x D 8 x H 30
- Handmade In Italy
