**122 SIDEBOARD**

\$7,230

## DESCRIPTION

The linear and simple design of this sophisticated sideboard is complemented by the captivating, masterfully handcrafted pattern on the front panels. Composed of 122 pieces of wood, each piece is individually cut, polished, and assembled by hand to create a flowing movement on the drawers' front panels. Push open to them, and they reveal ample storage space. This imposing sideboard is finished with water-based paint and rests on a metal base with a chrome finish. Size, finish, type of wood, and metal color are entirely customizable, please contact the Concierge.
