**1909 SIDEBOARD**

**\$13,935**

## DESCRIPTION

A sideboard of great visual effect with rich and determined personality. Made of plywood with myrtle burl veneer and brushed gloss finish, the two double-door structure is raised on a burnished brass tubular base and is topped with a large rectangular Emperador marble slab. This multi functional design will add subtle elegance in the dining room - to store serveware and silverware - or in the living room - to display prized collectibles.
