**1980 VINTAGE BROWN BASE FOR TABLE LAMP BY SANTONOCITO MICHELANGIOLLO**

\$590

### DESCRIPTION

A splendid object of functional decor, this base for table lamps is a 1980s-vintage piece by Santonocito Michelangiolo from Ceramiche Alvino Bagni near Florence. Handmade of red clay, the bud-shaped silhouette is finished with multiple enamel layers of brown gradients using an airbrush and hand-painted with a small brush to highlight shinier details. This unique piece can be topped with a fabric lampshade in a neutral palette to complement its chromatic allure.
