2-SEATER LEATHER SOFA BY JEAN MICHEL FRANK

\$4,850

DESCRIPTION

Unparalleled comfort and timeless charm mark this sophisticated sofa upholstered with prized black leather. Frank was inspired by interior designer a piece by Syrie Maugham, to which he added wooden feet, obtaining an elegant and versatile prototype in 1930. This sofa features a wooden structure covered with polyurethane rubber and polyester fiber and plush cushioning in sterilized goose down. Lacquered feet and other fabric upholstery are available on request to the Concierge. The seat is 44 cm in height.
