DESCRIPTION

Entirely crafted of solid wood, this chair is an eye-catching addition to a modern or rustic interior. Its unusual color palette is obtained using slats of 10 different types of wood arranged to create delightful tonal gradients. The combination of straight lines and minimalist volumes reveals a dynamic textural effect and highlights the crafting expertise used to bring this piece to life. Entirely cut, assembled, and finished by hand meaning each piece is unique and unrepeatable. The seat height is 45cm.
