2008 VINTAGE JUNGLE VASE BY ENZO BORGINI

\$420

DESCRIPTION

Recalling the classic amphora-shaped vessels used in antiquity, this exquisite vase is a testament to the masterful craftsmanship of Enzo Borgini who created this piece in 2008 at the Nuove Forme workshop. Entirely molded on a lathe, the white enamel glaze creates the perfect background for the colorful and lively design inspired by the lush, tropical jungle landscape.
