*Berdondini 1926*

VENTIQUATTRO MAGGIO ARMCHAIR 1941

\$18,585

---

## DESCRIPTION

The sleigh-style base structure and armrests of the exquisite armchair were crafted in zebrawood featuring striking grain patterns. The structure of the seat is in solid poplar with inner padding with differentiated densities for ultimate comfort and springs crafted steel. The lining is in eel leather which was worked entirely by hand and features a rich dark brown hue. Everyday use may cause the leather to light up or darken in certain areas, giving each piece a unique look.
