TESS LARGE CARAFE

\$190

DESCRIPTION

This large carafe is part of the Tess series, that also features the same piece in a smaller size. Particularly suited to serve beverages to a large number of guests, this pitcher can hold up to 2 liters of liquid and features an elegant slanted conic shape with a small spout at one corner of its mouth. The round lines of the body are strikingly complemented by the straight silhouette of the handle in glass and wood.
