DESCRIPTION

A wearable work of art, this bold bracelet cuff exudes sculptural charm. Deftly fashioned of 24K gold-plated silver, the bracelet is distinguished by the three leaves that decorate the surface, a central ginkgo leaf flanked by a maple and chestnut leaves. The leaves rest on an open cuff frame composed of three delicate bands. The striking gold plating reveals the leaves' subtle veining, enhancing the textural allure of the piece for a unique aesthetic. Given as a gift to a loved one or added to a personal jewelry collection, this exceptional piece will be a focal point of any formal attire.
