37 IRON VASE HOLDER

\$890

DESCRIPTION

The irregular perimeter of this elegant iron vase holder with no bottom is ideal to host two or three small plants. Every piece is welded with an artisanal method to create a one-of-a-kind object. The surface is finished with a treatment that allows a thin layer of rust to deposit and create hues and nuances unique to each piece that oxidizes and changes color in time. The metal naturally releases particles that can be visible on light or porous surfaces.
