Π44 RUG FROZEN COLLECTION BY OLGA MALYEVA

\$14,910

### DESCRIPTION

Designed by Olga Malyeva, the Frozen Collection of handknotted wool and silk rugs takes its inspiration from Russian winter landscapes, as reflected in the works of artist Natalia Goncharova and architect Peter Bronfin. The simplistic graphics and primitive lines of the collection are reminiscent of the Russian avant-garde movement, skillfully transferred onto captivating rugs of the highest quality and craftsmanship. The piece is entirely customizable. Please contact Concierge for details.
