Marco Rubini

4U BLACK AND GOLD VASE

\$320

DESCRIPTION

The name of this refined vase alludes to loving gesture masterfully frozen in ceramic and rendered more dramatic by the black glossy finish and gold details. Versatile in its simplicity, this whimsical piece perfectly frames a dainty flower stem with a sleek silhouette of a stylized figure in a loving pose, whose smooth lines and curves reveal a timeless look. The sculptural quality of this vase makes it an eye-catcher in any room even without flowers.
