Bragagnolo Argenti

5-ARM CANDELABRA

\$760

DESCRIPTION

A mesmerizing showcase of functionality and sculptural appeal, this candelabra will infuse a regal allure in any classic interior. Inspired by the English Sheffield style, this superb piece is silver-plated with a round tiered base supporting a graceful stem with four curved arms and a straight one in the center. A sophisticated addition to a traditional sideboard, table, or mantel, the candelabra can be paired with the other candle holders of the same series to create a glamorous ambiance for an unforgettable event.
