## 67 IRON VASE HOLDER

\$830

---

### DESCRIPTION

Every piece in this exquisite vase holder with no bottom is welled using an artisanal method to create a one-of-a-kind object featuring iron studs. The surface is finished with a treatment that allows a thin layer of rust to deposit and create hues and nuances unique to each piece that oxidizes and changes color in time. The metal naturally releases particles that can be visible on light or porous surfaces.
