## DESCRIPTION

A superb celebration of the exquisite craftsmanship and tradition of mouth-blown Murano glass artifacts, this stunning mirror is a work of art that can be displayed above a mantelpiece, over a console or in a bedroom or powder room for a lavish and colorful effect. The small rectangular shape of the mirror is enclosed in an inner frame, adorned all around it with a complex series of sinuous elements etched with floral motifs. The elaborate decoration boasts green textured profiles and a series of green leaves and colorful flowers for a superb final effect.
