LIGHTING : CHANDELIERS

Sigma L2

7253 CHANDELIER

\$8,770

DESCRIPTION

A round element suspended from the ceiling holds three steel cables (120cm long), which support the protagonist of this piece: a configuration of squares in brass soldered together and illuminated from within. The brass features a golden brown finish. The size of the cables can be customized upon request to fit any room. This piece will be the perfect accent in a dining room or bedroom.
