Ceramica Gatti 1928

800 VASE WITH PLATINUM #2

\$1,230

DESCRIPTION

This amphora-shaped ceramic vase with squared handles is made on a lathe and enameled in earthenware with platinum hand-painted decorations over a shiny white base depicting a Japanese inspired design. The elegant handles feature a bold platinum outline and two small snakes on both sides of each handle to create a visually stunning effect, while the base has a delicate platinum pattern.
