90° MINUTO FOOSBALL TABLE

\$16,105

DESCRIPTION

An exquisite piece of modern design, this is an excellent foosball table that will entertain while adding a stunning decoration in a contemporary or industrial home. Its structure is in solid Canaletto walnut with a 12mm-thick crystal playing field and a frame in extra-clear 15mm-thick glass. The players are in Canaletto walnut on one team and ash on the other, while the handles and the scorekeeper pegs are in Canaletto walnut. The goals are in polished stainless steel with handmade black and white nets. Authenticity certification and instructions are included with purchase.
