ABAT-JOUR FLOOR LAMP

\$2,990

DESCRIPTION

Unique and playful, this floor lamp will suit best an eclectic living room or entryway, thanks to the combination of different elements that creates a one-of-a-kind object of functional decor. Its ornate base is in kaolin with a charming yellow varnish. The vertical piece in antique brass is shaped like a classical column, ending in a vintage 19th century fake candle with an ironic shade in rattan.
