ABBRACCI RED SOFA BY LORENZA BOZZOLI

\$21,155

DESCRIPTION

Marked by an embracing silhouette inspired by the gesture of hugging someone ("abbraccio" meaning "hug" in Italian), this superb sofa exudes a soft romantic appeal. The base is accented with a shaped ring boasting a glossy finish, adding brightness to the general red leather upholstery that envelops the seat and the curved backrest, the latter sloping to incorporate the armrests in a fluid curve. Please contact the Concierge for other color options.
