ABISSO GREEN AND ORANGE BOWL

\$2,190

DESCRIPTION

Stunning in all its details, this sophisticated bowl is handcrafted of smoked blown glass in a captivating mélange of colors. The pear-shaped body features a vibrant gradient of green that fades towards that base, while three glass elements in a warm orange color support the piece. Filled with a single flower or displayed as a stand-alone decorative piece, the brilliant glow of this piece will bring a burst of color to a mantel or tabletop in any room.
