### DESCRIPTION

This work of art will enrich a living room with its singular design and dynamic decorations. Resting on four conical feet, the honeycomb wood structure bends on the sides to support the rectangular top. Every surface of the piece is superbly inlaid with a series of abstract decorations in different colors derived from different woods, notably rosewood, beechwood, walnut, and ash. Sure to make a statement in a modern or eclectic home, this is a piece to cherish for generations to come.
