ABYSS ARMCHAIR

\$5,050

DESCRIPTION

When you look into an abyss, the abyss also looks into you. "Abyss" derives from the Greek word ἄβυσσος, meaning bottomless. Looking to the depths of the ocean to dream up a dramatic new armchair, that introduces the majesty of the big blue to the interior. Like all of Kabinet's designs, the Abyss armchair is a conversation piece as much as a functional one. This new design is concerned with depth and creates a geological cross-section as mesmerising as the ocean. This product is handmade.
