ACHILLE DINING TABLE

\$11,570

DESCRIPTION

Paying homage to the clean-cut lines of mid-century furnishings, this table is a paradigm of simplicity. Defined by its balanced proportions and linear silhouette, this superb piece exemplifies the cool minimalism of Italian design by juxtaposing an austere base in solid ash with a clean-edged, polished Carrara marble top. Subtle details—a downward lip along the outer edge, gently tilted feet—give it a striking elegant allure. Customizable finish (stained or natural) and choice of Carrara marble or stone top, give this table an exceptional versatility. It pairs well with Livia chairs.
