ACQUA CHARGER

\$260

DESCRIPTION

Delicate circles in light blue adorn the background of this stunning charger, dotted with a myriad of multi-colored spots that evoke in a poetic and modern way the many mysteries of marine life. This piece will enliven an elegant table, thanks to its exquisite hand-craftsmanship and the use of fine porcelain as the backdrop for a modern design. Part of the Corallo Collection introduced at Milan Design Week in 2018, this charger can be displayed with the other pieces of the same series for a cohesive look. Dishwasher safe.
