ACQUA RHODIUM-PLATED CUTLERY SET

\$1,715

DESCRIPTION

Embodying the striking elegance of antique traditional silverware sets with contemporary flair, this 18-piece cutlery set will shine in any dining collection. From the Acqua series, the set is composed of six pairs of forks, spoons, and knives entirely handcrafted, the handle is distinguished by the rippled texture which elegantly contrasts with the polished utensil ends. The set is made of rhodium-plated metal, a finish that endows the pieces with brilliance and resistance to oxidation.
