ACQUARIO BUTTERFLIES POLYCHROME SCULPTURE

\$1,850

DESCRIPTION

Dainty sculpture handcrafted by master glassmakers based in Murano, this is a one-of-a-kind design able to set a feminine tone to any surface.

Polychrome glass butterflies, flowers, and grass are trapped within a clear glass mass with indented, ground sides created to reproduce the reflection of waves dancing under sunlight. It can be paired with an LED light to turn into an artful table lamp. Supplied with authenticity certificate.
