Ulivi Salotti

ADAM COFFEE TABLE

\$4,910

DESCRIPTION

This coffee table has the charm and elegance of mid-century furniture, thanks to its clean silhouette and round corners, which are a distinctive trait of Ulivi. This piece has a structure in solid walnut wood. The two levels provide a versatile storage and display space and are comprised of a tinted glass top above and a lower shelf upholstered in fine leather. A sophisticated addition to a classic or vintage-inspired décor.
