*Marioni*

## ADAM LAMP WITH SHADE

\$2,930

### DESCRIPTION

This exquisite lamp, designed by Marioni, features a shaft comprised by three squared elements whose dynamic texture is highlighted by half-spherical decorations. The dark shade continues the square theme but its dark color creates a striking contrast with the gold finish of the base, giving this piece a modern charm. Ideal to illuminate a living room corner or an entryway, this statement piece will not get unnoticed.
