ADE VASE

\$1,060

DESCRIPTION

Rich in artistic and cultural significance, this anthropomorphic terracotta vase is an iconic homage to Sicily's rich Moorish influence. Depicting the noble visage of a Moor man, the mastery of the piece is revealed in the detailing of the regal headdress, ornate crown, bold mustache, and deep eyes. The striking natural glaze provides a dramatic touch to this traditional object of Sicilian statuary. This creation is an ideal gift for an art or history lover.
