Paola C

ADSPERA SILVER PLATED CENTERPIECE

\$350

DESCRIPTION

This elegant centerpiece is part of the Adspira collection, designed by Chiara Andreatti for Paola C. Drawing inspiration from the natural world, particularly the geometric elegance of shells, this piece is crafted of silver-plated metal and features an elliptical top decorated by a single line that creates a central incision. This sophisticated and minimalist piece is a refined and eye-catching addition to a modern home.
