AEREA SMALL BENCH

\$1,920

DESCRIPTION

A testament to traditional craftsmanship, this sculptural bench is a piece of minimalist and contemporary allure. Suitable for both indoor and outdoor, this piece is marked by rigid geometric lines and is made of black-finished bent steel, with an inner structure of welded steel. This bench is also available in other colors and with a bronzed brass or bronzed copper finish, please consult the Concierge for options and pricing.
