AFRICAN ELEPHANT SCULPTURE

\$18,300

DESCRIPTION

This exquisite bronze sculpture was created in clay by the sculptor in 2015 and then cast in the Florentine foundry following the traditional lost wax method. It depicts an elephant ready to lock tusks, the pose captures the magnificence of this beautiful mammal. The sculptor has expertly created a one of a kind decorative piece that will enrich any interior. The patina reflects the true colourings of the majestic African elephant. It is part of a 12-piece limited series in which every sculpture is numbered, dated, and signed. It can be paired with the Large African Elephant Sculpture.
