AG1 CARPET BY ANNA GILI - POST DESIGN

\$8,860

DESCRIPTION

Part of the Post Design collection, this unique wool rug was hand knotted by artisans in Nepal with the Tibetan knot, using cotton for the warp and hand-carded wool for the weft. The handmade nature of this piece allows for slight differences in size. Each carpet is made in a limited series of 36 pieces signed by the designer Anna Gili and made into a round shape with waving edges and a striking color combination that will enhance any floor. Handmade by craftsmen in Uma technique. Figure presenti Collection.
