AG2 CARPET BY ANNA GILI - POST DESIGN

\$2,580

DESCRIPTION

This exquisite carpet designed by Anna Gili is part of a limited series of 36 pieces that bear the designer's signature. The rectangular shape features a dark edge and a black and white geometric pattern executed by the expert hands of Nepalese artisans using cotton and hand-carded wool. The natural Tibetan wool fibers used are one of the finest in the world because the animals roam free at very high altitudes, and because of that, this carpet is not only striking, but also highly resistant. Handmade by craftsmen in Uma technique. Figure presenti Collection.
