AGOSTO CERAMIC VASE BY GEORGE SOWDEN - POST DESIGN

\$550

DESCRIPTION

This ceramic vase designed in 2018 by industrial designer George Sowden will make an elegant statement on a dining room console or a table in a modern and contemporary interior. Marked by a sleek, truncated-pyramid shape, this piece showcases a mix of graphic patterns on a white background. This vase can be displayed with similar pieces from the same collection or used to showcase a single-stem flower. Materialism Collection.
