AGOSTO SIDE TABLE

\$24,305

DESCRIPTION

A work of art in and of itself, this lavish side table has a classic wooden frame with a round top resting on a faceted pedestal supported by a raised, cross base. Showcased at Milan Design Week 2018, the top and base are covered in pink fabric with floral design embellished with sequins and golden trim. The border of the table is accented with two studded brass strips and golden trim. The supporting column features a hexagonal shape enveloped by pink fiberglass with a marble-like effect and golden trims.
