AILE LOW WHITE SIDE TABLE

\$1,610

DESCRIPTION

Part of the Aile Collection, this side table exudes understated elegance with its soft, white leather frame and essential lines. This easy-to-use foldable design is a must-have in any home, adding surface space when needed and folded away in a simple gesture when not in use. Perfect in an entryway, living room and even bedroom, this refined design has a hexagonal base and a round top with a leather handle in the center that folds the table in one step when pulled up. Please ask the Concierge for other colors and sizes available.
