AIRE ARMCHAIR

\$4,495

DESCRIPTION

Merging high-quality materials in an elegant and modern design, this armchair is suitable for an outdoor space. Its varnished aluminum structure is padded with Tecnorev on backrest and seat cushion for a soft and comfortable experience. The legs, connected in pairs with two horizontal bars, function as armrests, and they are partly covered with hand-stitched refined leather adorned with gold threads. It is possible to add a supporting base structure and choose among different finishes, please ask the Concierge for more details. Cushions not included.
