\$4,880

DESCRIPTION

This remarkable dining table will be the focal point of any modern-styled dining room. A striking oval top made of stratificato HPL MOD (resin with cellulose fiber core) in dark Scuro Oriental sits atop a base with four V-shaped, hand-forged iron blades connected by iron cables with a warm, gold-leaf finish. The bold silhouette and color contrast imbue the piece with intrigue and timeless elegance. This table is available also with a top in extra clear tempered crystal, solid wood or oak veneer (oval or rectangular) and with an antiqued-finish base.
