## ALA JR B RAIN TREE DINING TABLE

\$4,090

### DESCRIPTION

Part of the Ala Jr Collection, this dining table is a striking example of the striking coexistence of geometric rigor and contrasting materials. The legs are fashioned of a metal sheet with a satin brass finish, bending to create a trapezoidal base, effortlessly supporting the top made of two rain tree planks to achieve the rectangular silhouette. Essential and modern, this piece bears a playfully dynamic character that will complement a sophisticated minimalist interior.
