ALA TEXTURED CHAIR BY SEBASTIAN HERKNER

\$2,325

DESCRIPTION

Part of the Ala collection featuring graceful and light pieces with a vintage allure, this chair can be customizable with different fabric and leather upholstery and a choice of metal (ivory, prune or black colored) or wood base (in ash wood with a natural or graphite finish). In this case the base is in tubular metal with a prune color. The polyurethane cushions are crushproof and enriched with polyester fibers. The cover in this case is a textured brushed wool. Contract and commercial certifications available upon request.
