ALABASTER VASE WITH BORDER BY UGO LA PIETRA

\$1,440

DESCRIPTION

A stunning piece of white alabaster from Volterra was used to craft this vase that combines the remarkable quality of this noble material with a modern form and texture to create a stunning display piece suitable for any decor. Designed by Ugo La Pietra, the smooth conical body rests on a base with an uneven surface, while the turned out border is the real protagonist with an openwork geometrical design. Blending classic style with modern sophistication, this piece will imbue any space with timeless appeal.
