## ALBA SIDE CHAIR

\$1,555

### DESCRIPTION

This refined chair is a testament to masterful craftsmanship and minimalist aesthetic that will effortlessly elevate any dining room decor. The sleek frame is crafted of solid beechwood, the glossy dark oak finish contrasting with the white cushion and back upholstery for a stunning look. The gracefully angled saber legs and slightly swooping back bring together design elements that allow for maximum comfort and elegance. Showcased in multiples either in a study flanking a side table or in a dining room, this chair will be an elegant finishing touch in any decor.
