## ALBERI SMALL FLOOR LAMP

\$1,840

### DESCRIPTION

Formal simplicity and naturalistic inspiration give this floor lamp a strong personality, perfect to enrich any living area with its refined and modern style. The elevated LED light source (E27 attachment) is filtered and diffused by an imposing cylindrical diffuser made of cotton, either plain (shown) or printed. The supporting structure is composed of three legs of carved lacquered MDF marked by an elegant, sinuous silhouette. Available in three sizes that can be displayed together to create great visual impact, this design is customizable in size and finish on request to the Concierge.
