ALBERO ROSA WALLPAPER

\$660

DESCRIPTION

Inspired by nature and defined by simple sophistication, this elegant wallpaper evokes a peaceful landscape with floral charm and pastel colors that will enliven any bedroom, living room, or powder room. Entirely painted by hand using ancient and modern pictorial techniques, the wind-moved branches are sketched with thin ink lines against a nuanced ivory background illuminated by sparks of pink watercolor. This one-of-a-kind wallpaper is washable with a moistened sea sponge and the price indicated is intended per square meter.
