ALEXA 6-LIGHT CHANDELIER #2

\$1,895

DESCRIPTION

Best complemented by a modern decor, this piece will add a refreshing character over a dining table or living room. The polished nickel finish of the metal structure adds luminosity to the piece that features six curved arms extending upright from a conical metal cup. Crafted of hand-blown, transparent glass with a delicate striped pattern, the globe-shaped bobèche and the oval accent around the central stem complete this piece that will imbue any home with everlasting elegance.
