## ALGHE SIDE TABLE

\$2,900

### DESCRIPTION

A delicate design that will add a charming and sophisticated accent to any elegant interior, this superb side table can be placed by an armchair or sofa, in a foyer, or by a bed as a nightstand. It combines a round glass top that offers an unobstructed view of the stunning base, hand-forged of steel and painted with powdered pigments. Aptly named Algae, the table features a base made up of three ethereal feet that gather in a ring before raising up. The top is 60 cm in diameter. The base is 60 cm high and 35 cm wide.
