ALICE 2-LIGHT SCONCE

\$1,465

DESCRIPTION

Boasting a jewel-like allure, this superb two-armed sconce will enrich foyers, living rooms, or bedrooms with romantic allure while providing ambient illumination. The white-lacquered metal frame is mounted on a round plate from which the curved arm extends, each with a cylindrical white fabric shade. Dangling strands of white glass beads resembling pearls with teardrop crystal pendants complete this unique piece that stands out for its elegant design suiting both classic and mid-century interior decors. This light holds two E12 max 5W bulbs.
